GLI is a leading provider of Cross-Border Freight Services between U.S. and Mexico

When your freight shipment needs to travel across the border, you can rely on the North American logistics experts at Global Logistics International (GLI) to help simplify the process. We'll help you prepare your cross-border freight documents, clear customs, and resolve any issues before they cause delays. Additionally, our bi-lingual border management staff works with carriers and international agencies to maintain C-TPAT, PIP and CSA security standards.

Global Logistics International (GLI USA) Cross-Border Service options:

- ★ LTL (Less-Than-Truckload) and FTL (Full-Truckload).
- ★ Expedited and Time-Critical.
- ★ Temperature Control Cargo.
